

**Department:** UAMS Institutional Review Board  
**Policy Number:** 2.1  
**Section:** Relationships  
**Effective Date:** July 31, 2002  
**Revision Date:** August 23, 2004; April 16, 2014; February 15, 2016; August 15, 2022

SUBJECT: To the Administration

Members of the UAMS IRB are appointed by the Vice Chancellor for Research and Innovation in collaboration with the IRB Director and Chair/Vice Chair. IRB membership broadly represents the colleges and academic units of the campus; and includes lay members from the community and other affiliated and non-affiliated institutions.

Human Subject Research that has been approved by the IRB may require additional institutional review and approval by the Vice Chancellor for Research and Innovation and/or other oversight committees. No individual or committee may allow a Human Subject Research study to proceed if the IRB previously reviewed the study and voted not to grant approval.
