Important Updates on NIH Grant Application and Peer Review Changes for 2025

Grants.NIH.gov released notice [NOT-OD-24-084](#) to provide the research community with an overview of application and peer review changes impacting grant applications submitted for due dates on or after January 25, 2025.

Muse Grants will upgrade to FORMS-I on **December 30, 2024, at 7:00 PM CST**. Grant deadlines **before January 25 must use FORMS-H**, while those with deadlines **on or after January 25 must use FORMS-I**. Once we upgrade Muse with FORMS-I, when users select funding opportunities, they will see an option to choose either set of forms based on the submission deadline.

Biomed Building 1: Renovation Update

Labs B112–B114 – Gone!

Biomed, 1st Floor is under renovation. Entrances to construction areas are marked and areas are fully off limits to UAMS employees - **THESE ARE HARD HAT AREAS, UAMS employees should not be accessing the renovation area at any time.**

Holiday Emergency Contact for Biomedical Research Buildings

As we approach the holiday season, please be aware of the emergency contact information for the research buildings during this time. If any urgent issues or emergencies arise while the offices are closed, please reach out to our building manager, Paul Browning

501.686.8899 office
RBrowning2@uams.edu

All phone calls will be forwarded to Paul's cell.

Updates from R & I Team

Office of Research Regulatory Affairs (ORRA)

Dr. Brenda Gannon's New Role as Graduate School Faculty Member

We are pleased to announce that Brenda Gannon, Ph.D., a faculty member of the College of Medicine, has recently been approved as a member of the Graduate School faculty. This new appointment allows Dr. Gannon to formally serve on dissertation committees and Ph.D. qualification exam committees.

Please join us in congratulating Dr. Gannon on this exciting development in her academic career!
