Pivot-RP: Identifying Extramural Funding Opportunities!

Pivot-RP is a leading global platform for discovering funding opportunities, designed to help research organizations enhance their funding strategies and secure more resources. By leveraging AI and comprehensive scholarly profiles, Pivot-RP matches researchers with relevant financial support and offers valuable funding and policy insights for strategic planning. If you have not utilized Pivot-RP yet.

Effort Certification Due February 25, 2025

Grants Accounting will release Effort Certification for the 6 month period (July - December 2024) on January 27, 2025. Effort Certification is the process of verifying that the committed effort on a sponsored activity meets deliverables. Effort certification is required for all UAMS employees who have been paid off of a sponsored project. For questions, submit an [Ask Grants Accounting question](#) in ServiceNow and select the Effort Certification category.

Upcoming Workshops/Events

Laura Adkins, MAP, CCRP, CCRA, CRS, AdvCRS
Director, Office of Research Regulatory Affairs (ORRA)

Jan. 30, 2025, 12–1 p.m.
Virtual Seminar

Principal Investigator Boot Camp: “Basic Training” for the New & Experienced Researcher

[Click to Join!](#)

Laura Adkins is the Director of the Office of Research Regulatory Affairs, overseeing FDA-regulated research, including INDs and IDEs. With 20+ years of experience, she manages the Regulatory/QA and Monitoring Units, as well as ClinicalTrials.gov. Laura is committed to advancing local research by guiding study activities, educating staff, and ensuring subject safety and data quality. She also emphasizes continuous learning in the evolving research field.

UAMS Showcase of Medical Discoveries: The Arkansas Center for Birth Defects Research and Prevention

2.11.2025

Virtual Seminar

"The NIA F99/K00: Student to Postdoc Transition Awards in Aging Research" by Jamie Lahvic, Ph.D., Training Officer, Office of Strategic Extramural Programs (OSEP) NIH - National Institute on Aging

2.18.2025

UAMS Student Research Day

Biomed Building I Renovation Updates

The majority of the demolition work was completed, and temporary doors were installed. Additionally, the team laid out the dimensions for the framing and completed scanning of the area to incorporate into their 3D model.

This week, the focus will be on bringing in materials to begin framing. Once the materials arrive, framing will start, and you may hear some noise from nail guns and other equipment as the framing is anchored into the slab. There will also be some coring in the slab to make space for utilities.

UAMS Student Research Day-Judges Needed!

Date: Tuesday, February 18, 2025

Location: I. Dodd Wilson Building (Little Rock)
Main Building/Hospital (NWA campus)

Time: Poster session A will be from 8:30 am to 10 am
Poster session B will be from 10 am to 11:30 am (LR only)
