

UNIVERSITY OF ARKANSAS
FOR MEDICAL SCIENCES

DIGITAL MICROSCOPY LABORATORY

**FY 20 Rates
July 1, 2020 – June 30, 2021**

The DML is a user supported facility. The hourly fees that are charged are only used to recover costs of operation.

	Academic	Non-academic
Zeiss AxioImager	\$36.78	\$55.17
Zeiss Axiovert	\$ 0.00	\$ 0.00
Zeiss LSM 880 Meta w/ Airyscan	\$32.85	\$49.28
Long term time lapse (after 6 consecutive hrs)	\$10.00	\$15.00
Zeiss ELYRA Super-Resolution	\$28.46	\$42.69
Bruker Ultime IV 2-Photon	\$28.26	\$42.39
FEI Transmission Electron Microscope (Beam Time)	\$63.45	\$95.18
Electron Microscope Training, High Pressure Freezing, Freeze Substitution, EM Sectioning, and Software Consulting Jeff Kamykowski	\$35.54	\$53.31

Requirements for Use

Investigators must provide an assurance statement as follows: The services requested are for research purposes only. All applicable regulatory and safety approvals have been granted for the project.

Investigators must agree to acknowledge all use of the facility as follows:

The Zeiss Elyra super resolution microscope was funded by NIH Grant S10OD018065 electron microscopy equipment in the University of Arkansas for Medical Sciences Digital Microscopy Laboratory was funded by NSF Grant 0959745.
